

April 2009 Boca Rest Rally

A Friday morning snow shower didn't deter Bryan and Jerry from a morning cup of coffee

Thursday was a pretty nice day

The snow didn't last and we had dinner outside. We even roasted marshmallows after dinner

Saturday we woke up to a dusting of snow. It made for some neat patterns on the Airstreams. Jerry does a little clean up.

Gene and Carmen got some great shots of the rally while hiking on the nearby hills
