JULY 2003 *Airstreamers* NEWSLETTER

The second SNU rally of the year at Boca Reservoir was a success. The Leipper's and Fred Hersey, whose wife Ann was home sick, represented the Airstream contingent. The Leipper's friends, Dave and Gene represented the Amateur Radio contingent. They set up antenna's on the lake side of the campsite. On Saturday we were delighted to receive visits from Milan and Eloise Wight and Brian and Reyna Borg and their son Kory.

Although the temps were about 15 degrees above normal we had a nice pot luck lunch and informal business meeting on Saturday. Fred presented the treasurer's report. Milan presented an idea for a future unit caravan (see back). This outline provides a great starting place for a possible caravan a few years down the road when we have increased the number of active members. The outline also provides a lot of good ideas that could be incorporated into other activities. Other business discussed included plans for the rallies scheduled for the rest of the year, ideas picked up from the NorCal unit, and review of unit efforts at encouraging member participation.

Our next rally is at the Craggs Campground at Twin Lakes near Bridgeport, CA

When: Friday August 22nd through Sunday June 24th

Where: Craggs Group Campground. See map in this August newsletter or on the SNU website.

Cost: \$10 per night rally fee which helps cover the camping costs for the group site.

Events and activities: Morning coffee klatch is from about 7 to 9 on Saturday and Sunday. Happy hours will likely occur on Friday and Saturday starting about 5 p.m. A potluck lunch is planned for Saturday about noon. The unit meeting will be held Saturday at about 1 p.m. following the pot luck lunch. Star gazing, horse shoes, picture taking, trout fishing, natural hot springs, and hiking are among the other activities we can enjoy.

Some might like to come down on Thursday and stay in a regular site for one nite. Don and Mary Lou will be there, and we would meet you for breakfast at the Hays Street Café in Bridgeport where they have wonderful pancakes. There is also a great bread bakery in town. That also would allow a side trip to Bodie State Park, a preserved ghost town about 20 miles south of Bridgeport.

Details: check <http://sierranevadaairstreams.org/>

We look forward to seeing you at Twin Lakes. If you can't make it for the entire time, feel free to join us for a few hours, one day, or whatever time frame fits your schedule.

TIP OF THE MONTH

Wheel Bearings

The standard recommendation is that you re-pack your trailer wheel bearings once a year. This is because trailers tend to sit a lot and that can contribute to condensation inside the wheel, and that can lead to rust which, in turn, leads to particles which can score surfaces and cause friction and bearing failure. Re-packing the bearings also makes it easy to inspect your brakes and running gear in order to detect and fix potential problems before they become a hazard. For a pictorial description of changing wheel bearings see [:http://sierranevadaairstreams.org/owners-guide/maintaining/bearings/index.html](http://sierranevadaairstreams.org/owners-guide/maintaining/bearings/index.html)

Don and Mary Lou are on a trip to Alaska until the 18th of August. See you at the August Rally.

JULY 2003

WELCOME TO THE SIERRA NEVADA UNIT of WBCCI.

We are a small, friendly group who enjoy sharing our enjoyment of Airstreams, and the Airstream lifestyle, with others. You are invited to come to any of our meetings and if you like, to join our Unit. We predict that you will make many friends and relish the camaraderie of our rallies, caravans, and group activities. Our members are always ready to share their advice on equipment problems and trailering knowledge. In addition to being a member of our local Unit, you will be one of several thousand who make up the Wally Byam Caravan Club International (the Airstream RV Club.)

Lazy 5 Regional Park
Lazy 5 Regional Park

Lazy 5 Regional Park, located within Spanish Springs Valley, is named for a ranch previously operated in the area. **At one time the site was used by Harold's Gun Club.** The skeet tournaments held there brought nationally ranked shooters to Reno and Sparks, as well as many celebrities. Lazy 5 Regional Park was acquired for and designed around a grove of existing trees to provide cool, shaded areas for the community to enjoy in a valley with few trees. The Orr Ditch, constructed circa 1878, cuts through the park, providing a lush, riparian corridor. The ditch is recognized for opening the valley to farming and ranching. The site of Lazy 5 Regional Park was purchased in 1993 as part of a voter-approved statewide Parks and Wildlife Bond. The park is 85 acres, five acres of which have been developed under Phase 1 of construction. Phase 1 includes a 5,000 square foot community center with an outdoor patio and barbeque area, a children's playground area, a group and individual picnic areas, volleyball courts, horseshoe pits, and a multi-purpose field. The community center is available for business and social rentals. The park is open 7 days a week. For more information on programs, special events, and reservations, call 424-1801.

DIRECTIONS TO THE AUGUST SNU TWIN LAKES RALLY

Take Rt 395 south to Bridgeport, CA, about 110 miles south of Reno. Turn right on the Twin Lakes road next to the gas station just as you enter town. Take the Twin Lakes road about 15 to 20 miles, turn left on the road to the Twin Lakes campground. Cross the bridge and turn left to the Craggs Campground. The group campground is on the right after you enter the campground.
