SEPTEMBER 2003 *Airstreamers* NEWSLETTER

The third SNU rally at Twin Lakes was a big success! The Crags group area was great and the weather just perfect. We were delighted to be joined by the O'Dell family who were on their first trailer outing in their "new" 1967 Safari 22 foot Airstream. Don Damoth brought firewood so we had a nice campfire built by Ryan O'Dell in the evening. In addition to the campfire, rally participants enjoyed hiking and biking in the area, and the O'Dells went boating on the lake. There was also stargazing. The Damoth's hosted a Spaghetti dinner on Friday night and we had pot luck for the remaining lunches and dinners. On Saturday we were visited by Mort Testerman who saw the rally information in the newspaper. He is interested in purchasing an Airstream and wanted to find out more about them.

Airstreamers at Twin Lakes Rally

We had an informal business meeting on Saturday. Among the items discussed, it was agreed that we definitely want to plan a rally at Twin Lakes again next year. In general we plan a 2004 rally schedule very similar to this year. We are always open to suggestions and ideas of group camping areas that would make good rally sites, so feel free to pass along any that you are familiar with. Other business included the need to nominate people for the 2004 board of the SNU. If anyone has an interest in serving on the board you can check out the SNU bylaws at <http://sierranevadaairstreams.org/snu/02oc-snu-bylaws.htm> It is also time to renew your membership. Send your dues to the unit Treasurer Ann Hersey at 2960 Pine Valley Rd, Gardnerville, NV 89410. A big thank you goes to Fred and Ann Hersey whose diligence in getting information regarding SNU activities in numerous local newspapers has paid off in several contacts and a few potential members.

The next SNU gathering will be a BBQ and Pot Luck at the Leipper's on the first day of the Reno Air Races. When: Thursday September 11, 2003 at the Leipper's Where: Lemmon Valley (about 10 miles north of Reno) See map in this newsletter. Details: check <http://sierranevadaairstreams.org/RSVP>'s would be appreciated. E-mail to hq@SierraNevadaAirstreams.org or a phone call to Diane at 775-972- 9392, or Fred at 775-266-3435.

The last two rallies of 2003 will be in October and November. In October we will be at Davis Creek Group campground. Davis Creek is in Washoe Valley half way between Reno and Carson City. This will be our annual meeting, election of officers, and finalizing plans for 2004. In November we will hold a rally at Lake Lahonton Beach 7 on Alt 95 just south of Silver Springs. We hope you will join us at the BBQ or one of the other activities planned for the rest of the year. The SNU has made a lot of progress this past year and with your participation and support 2004 promises to be even better.

SEPTEMBER 2003

WELCOME TO THE SIERRA NEVADA UNIT of WBCCI.

We are a small, friendly group who enjoy sharing our enjoyment of Airstreams, and the Airstream lifestyle, with others. You are invited to come to any of our meetings and if you like, to join our Unit. We predict that you will make many friends and relish the camaraderie of our rallies, caravans, and group activities. Our members are always ready to share their advice on equipment problems and trailering knowledge. In addition to being a member of our local Unit, you will be one of several thousand who make up the Wally Byam Caravan Club International (the Airstream RV Club.)
