## Boca Springs Rally

The SNU had a wonderful weekend rally under the pines at Boca Springs on June 25th. We had a great turnout including the Scott family, visitors from a Colorado Unit, with their 1974 Tradewind. The weather was perfect, the food fantastic as usual, and the company great. We spent a lot of time trading stories and ideas on fixing, modifying, and repairing older Airstream trailers. We also shared ideas about future rally sites. Everyone agreed to check out their favorites, take pictures, and report back to the SNU so we can include them for consideration in the future. In the meantime, we all decided to return to Boca Springs next year. To see pictures of the rally go to <http://sierranevadaairstreams.org> and click on Boca Springs photo album.

## Word gets around

The SNU has been getting attention from all corners of our home territory. Members and friends of the Unit live in communities throughout Northern Nevada and California. California cities include Adin, Bishop, Bridgeport, Graeagle, Lee Vining, Markleville, Nevada City, South Lake Tahoe, and Truckee. Nevada cities include Carson City, Fallon, Fernley, Gardnerville & Minden, Incline Village, Reno & Sparks, Silver Springs, Wadsworth, and Yerington.

## Thank you Region 12 Contributing Editor, Blue Beret

In the February issue of the Blue Beret, Sally Elmlinger highlighted Northern Nevada. It was nice to get some recognition even though the focus of the article was on the Truckee and Tahoe area with slight mention of the Jackpot and Jarbidge area. There is so much more to the home territory of the SNU. We have had great outings at many places in northern Nevada. So if you are interested in finding out more about the home territory of the SNU and the great opportunities for rallies and other outdoor adventures, check our website <http://SierraNevadaAirstreams.org>.

**See you August 20-22nd at the Twin Lakes Rally at Bridgeport.**

JULY 2004

WELCOME TO THE SIERRA NEVADA UNIT of WBCCI. We are a small, friendly group who enjoy sharing our enjoyment of Airstreams, and the Airstream lifestyle, with others. You are invited to come to any of our meetings and if you like, to join our Unit. We predict that you will make many friends and relish the camaraderie of our rallies, caravans, and group activities. Our members are always ready to share their advice on equipment problems and trailering knowledge. In addition to being a member of our local Unit, you will be one of several thousand who make up the Wally Byam Caravan Club International (the Airstream RV Club.)
