

# SIERRA NEVADA UNIT, WBCCI

JUNE 2004 *Airstreamers* NEWSLETTER

Welcome new members. Since our Pyramid Lake rally we have had two new members join the unit. Wes & RoyLaine Warns, and Roy and Bonnie Douglas. We are delighted to welcome them and hope they will continue to enjoy participating in the SNU.

PR pays off. The fantastic job done by Fred and Ann Hersey in getting notices in all the local papers has really paid off. In the last year we have had seven people, including two in May, contact the SNU after reading something in their paper. The PSA's on the Dayton rally even benefitted the Civil War reenactors as we received several inquiries which were forwarded to that group. The website supported by Bryan and Diane Leipper has also made an impact. Most recently a potential member showed up at the Dayton rally after learning about the event on the web, and a family in Colorado who will be in the area in June plan to join our Boca rally.

Dayton Rally Another successful event! The SNU rally at Dayton State Park provided great opportunities for the bird watchers in the group. There were lots of nice hiking paths along the Carson river and abundant squirrels and rabbits close to camp to keep an eye on. We also enjoyed a side trip to Ft. Churchill to visit the Civil War encampment, tour the museum and enjoy a relaxing picnic lunch under the cottonwoods on the banks of the Carson river. After all the hiking and touring there was time for inspirational napping and just sitting around sharing RV adventures and trailer tales. Our pot luck on Saturday met our standards of abundant great food. After dinner we adjourned to the campfire to recuperate. Roy & Bonnie Douglas also set the standard for the official SNU gopher (disguised as a pink flamingo). Now the rest of us will have to follow their example. **Boca Rally** June 25th is the date for the Next SNU rally. It will be near Boca Reservoir at the Boca Springs group area. The campground looks out over a beautiful meadow and is close to good dirt road biking trails, historical sites and hiking trails. The campground is about a mile from the main road on a good gravel road. The road is well marked. Plan to join us for a nice respite in the pines. The sign up sheet is included with this newsletter.

## June Birthdays

Unless I missed someone, there were no new babies in June.

## Anniversaries

Don and Mary Lou Damoth - 6<sup>th</sup>

Fred and Ann Hersey - 28<sup>th</sup>

The July Meeting will be at the Spooner Summit State Park off State Hwy 28 near Zephyr Cove. Spooner Lake is popular for its abundant wildlife and wildflowers, and has a very nice two mile hike around the lake. Nearby attractions include the Lake Tahoe beaches and the Ponderosa Ranch. (May be last time to see the Ponderosa Ranch as it will soon become a park.)

You are invited to come to any of our meetings and if you like, to join our Unit. We predict that you will make many friends and relish the camaraderie of our rallies, caravans, and group activities. Our members are always ready to share their advice on equipment problems and trailering knowledge. In addition to being a member of our local Unit, you will be one of several thousand who make up the Wally Byam Caravan Club International (the Airstream RV Club.)
