EXTRA NIGHTS LODGING: If you wish to stay at the RV park on Wednesday night, the 12th or Monday night the 17th, you can do so at the rally rate of \$25 per night. You can arrange this by calling the RV park at 1-800-822-WINN. If you can't bring your rig but you want to attend anyway, there is a nice hotel at the casino which is one mile away with a free shuttle. You can use the same phone number for the hotel.

The best route to arrive at the park is by way of Highway 88. There are fewer turns. Consider joining the Dreamcatcher club when you arrive. It is free and gives you a 10 cent discount per gallon at the gas station

This park has 100 spaces, so let's try to fill it up. They will book the unused spaces to S.O.B's if we don't. Don't plan to be a drive-in or a last minute arrival as there will be no spaces. This is a super popular location for RVers.
