September 2006

Dear

First, we wish to thank you for your past support of the Sierra Nevada Unit, WBCCI, the Airstream RV association of Northern Nevada. Enclosed with this letter is a Public Service Announcement regarding our November luncheon. We hope that you will include it in your publications calendar. We have also enclosed a copy of the SNU calendar for 2007. We will be sending you a PSA about each event three weeks prior to the date of the event.

We also want to take this time to ask your assistance to help us update our records and contact information. We would appreciate you taking a moment to complete the enclosed information update form.

Please feel free to contact us if you have questions or if there is anything we can do to assist your efforts to promote the Sierra Nevada Unit, WBCCI.

Sincerely

RoyLaine Warn, Media Relations
