Adin, CA 96006

Spencer and Jill

Thank you for renewing your dues in the SNU for 2007. Enclosed is your receipt/membership card.

The SNU had a great year in 2006. Amongst our many achievements, the SNU celebrated it's 30th Anniversary with a special luncheon in February. The highlight was a diorama of an SNU rally created by SNU members. This diorama was also displayed at the WBCCI International Rally in Salem OR. Four members of the SNU attended the WBCCI International Rally in Salem Oregon. This included an officially elected delegate who voted for the Unit at the delegates meeting. Members also participated in the WBCCI band and carried the flag in the opening ceremony. We held rallies in three new locations – Unionville, Obsidian Dome and Hat Creek. The SNU logo was redrawn by a member to provide us with a clean first copy for reproduction and use on SNU materials. We increased member participation in Unit activities and management. In addition, the SNU has increased it's use of current technologies to encourage participation from all members. We have initiated systems to pay dues and rally fees on-line, we utilized an on-line opinion poll system to gain input in the development of the rally schedule and we utilized on-line voting for various policy issues such as the proposed WBCCI name change.

The SNU continue it's effort at being a good neighbor. SNU members seek out other Airstream owners, telling them about the SNU and asking about their Airstream experiences. We encourage our members to visit other Units and attend other WBCCI and Airstream functions as it is a way to broaden the Airstream experience and meet new friends. In 2006 SNU members attended a rally of the Idaho Unit and we had visitors from Northern California attend and SNU rally.

We look forward to another great year in 2007 and look forward to your participation. Please don't hesitate to let us know if you have any ideas or suggestions you feel would benefit the SNU. We are always open to hearing new ideas from our members.

Sincerely

A handwritten signature in cursive script that reads "Bryan Leipper".
