Travelers RV  
295 Kietzke Lane  
Reno, NV 89502-1414

Dear Sir;

The Sierra Nevada Unit Airstream RV club would like to introduce you to our group and invite you to subscribe to our monthly newsletter. The Sierra Nevada Unit (SNU) of the Wally Byam Caravan Club, International has been active in the Northern Nevada area for over fifteen years. Recently the SNU has gone through some reorganization and beginning last year, has made progress in creating a more exciting schedule of events and increasing membership.

I have enclosed several pieces that I think will provide you with a good overview of the SNU, what we have done and what we have planned for 2004. You might also be interested in checking our website, <http://sierranevadaairstreams.org>. The website provides a comprehensive overview of RV'ing in Northern Nevada including camping sites and maintenance tips, as well as information on the SNU.

We would appreciate your support in promoting the Sierra Nevada Unit. Although membership is restricted to owners of Airstream products, we welcome visitors, especially those who wish to learn more about Airstreams and the WBCCI. We would be happy to have you post information regarding the SNU on your store bulletin board or in other areas where staff and customers would have access.

Our monthly newsletter is free and is available to anyone who wishes to subscribe. To receive the newsletter go to: <http://sierranevadaairstreams.org/snu/news/index.html>

If you would like to support our efforts, we would note your support of \$250 for one year with a business card sized display in our newsletter and on our website.

If we can be of further service or provide additional information. Please feel free to contact me.

Sincerely,

Diane L Leipper, President SNU
