**Dear Sir;**

**The Sierra Nevada Unit Airstream RV club would like to introduce you to our group and invite you to subscribe to our monthly newsletter. The Sierra Nevada Unit (SNU) of the Wally Byam Caravan Club, International has been active in the Northern Nevada area for over fifteen years. Recently the SNU has gone through some reorganization and beginning last year, has made progress in creating a more exciting schedule of events and increasing membership.**

**I have enclosed several pieces that I think will provide you with a good overview of the SNU, what we have done and what we have planned for 2004. You might also be interested in checking our website, <http://sierranevadaairstreams.org>. The website provides a comprehensive overview of RV'ing in Northern Nevada including camping sites and maintenance tips, as well as information on the SNU.**

**We would appreciate your support in promoting the Sierra Nevada Unit by posting our activities in your calendar of events or publishing information about the SNU in other ways appropriate for your publication. Although membership is restricted to owners of Airstream products, we welcome visitors, especially those who wish to learn more about Airstreams and the WBCCI.**

**Our monthly newsletter is free and is available to anyone who wishes to subscribe. To receive the newsletter go to:

**If we can be of further service or provide additional information. Please feel free to contact me.**

**Sincerely,**

**Diane L Leipper, President SNU**
