Your Opinion Needed

The Sierra Nevada Unit Newsletter

<i>Yes</i>	<i>No</i>	<i>Comment</i>
		Do we want to continue to support mailing the newsletter indefinitely to all contacts received by the SNU whether or not they become members?
		Do we want to try to keep the newsletter at four pages or are we willing to support the costs of printing more pages?
		Do we want to seek advertising revenue to support the newsletter?
		Do we want to continue publishing the newsletter on a monthly basis or should it be published bimonthly quarterly or on some other time frame?
		Bimonthly
		Quarterly

Are there any changes you would like to see in the format, layout, or content of the newsletter?

What will you be willing to do to implement the changes you would like to see with the newsletter?

Thank you for your assistance
