**SIERRA NEVADA UNIT, WBCCI**

Unit Newsletter

Volume 25 Number 1

January 1, 2000

Yes, it is time for another newsletter, and we have survived to year 2000.

This is the first issue of Volume 25. It was twenty five years ago that the Sierra Nevada Unit was born by splitting the Nevada Unit at the southern edge of Tonopah. Several of the Nevada Unit members lived in the northern part of the State and decided that for all intents and purposes it was already two Units. At that time rallies were held one month in the north and the next month in the south and the northern members seldom went south while the south members seldom came north, even as far as Tonopah. An application for a new charter was made to the International office, and after a few months of planning, writing a constitution and by laws, and selecting a charter set of officers we were granted a charter as the Sierra Nevada Unit. Paul Estis was the first President and scoured the area for charter members. His first lady, Erma Estis now lives in North Carolina and we hear from her frequently. Paul passed away about five years ago.

But enough history for one newsletter. Back to the present!

The annual Christmas party at the Burnhams was a huge success. Attending were Elenere Amidon, Lee and Sue Brown, Frank and Steve Burnham, Alma George, Dale and Marge Grosch, Betty Kopfhammer, Diane Leipper, Dale and Virginia Leipper, Leonard and Virginia Paul, Pete Rinne, and Doug and Barbara Webb. The Webbs were inducted as new members, and Dale Grosch stood in for Santa Claus for the gift exchange.

The first luncheon of the new year will be held Saturday January 8th at the China Kitchen, 1936 North Carson Street, Carson City. It is located on the west side of the street about a block south of the Safeway store on the opposite side of the street, and south of Winnie Lane. Plan on being there at 11:30 AM and make a selection from the items listed below from their Luncheon Combination Plate menu. As we will present somewhat of a logistics problem for the restaurant at a Saturday lunch time, it would help everyone if you would make your selection now, and call 825-6566 both to say you are coming and which item you will want. The cost will be \$7.00 per person (including tax and tip) paid to the Treasurer. The treasurer will then be billed for every one. We taste tested a couple of the items and found it to be a good Chinese Restaurant and can recommend the Shrimp Special Combination and the Almond Chicken. We presume the other plates are equally good. Here is the menu:-

*Over Please*

Each plate includes tea, egg flower soup, fried rice and a fortune cookie. A \*\* indicates that an item is hot and spicy, so be forewarned!.
