

Here it is time to write a brief *Newsletter* to tell you about the July brown bag lunch on Sunday July 9. It will be at Mills Park in Carson City. Meet between 11:00 and 11:15 in the morning. Mills Park is on the South side of Highway 50 (Williams Street) right after you cross Roop Street. Headed East go past the Civic Center building and turn in the next driveway. The interior road turns East, and just follow it around to where it terminates in several parking places with several tables in the shade of large trees. Virginia Leipper is taking the calls for this one, so be sure to call her at 972-6995 to say that you are coming. Bring whatever you want to eat, and some good conversation. There is nothing to tour at Mills Park, so we will just eat and gab. There will be fewer people this month than the last one at Bower's Mansion. The Cordiers have left for Bismarck, Elenere Amidon will be visiting in Georgia, and who knows who else will be missing. However we expect a guest couple who are interested in what strange people Airstreamers are. Come and confuse them.

Speaking of Bismarck. We have been kept up to date by Ken Eckley's almost daily e-mails and the weather has not been too charitable. But International Rallies are less about the weather and much more about the people. Of course there are programs and activities, but it is a great deal about meeting friends and having a sociable time. Airstreamers are heavy into eating, as you may have discovered.

Remember to call Virginia Leipper and tell her you are coming, even though it may sound like we already know who is coming, that is not completely true. Virginia's phone number 775-972-6995!
