

SIERRA NEVADA UNIT, WBCCI

UNIT NEWSLETTER VOL 26 #8

AUGUST 2001

I would like to dedicate this newsletter to two of our charter members who have played a major role in the success of the Sierra Nevada Unit since it was started 25 years ago, Frank and Steve Burnham. Frank and Steve served as unit President about four times each, and Steve served as Secretary or Treasurer many times. They have written and published the unit newsletter recently and many times in the past. Frank wrote the original Constitution for the Unit. Thanks from all of us for the wonderful times we have had together.

The July Meeting was held at Mills Park on a pretty summer day. Those attending included Dale and Virginia Leipper, Diane Leipper, Eleanor Amidon, Steve and Frank Burnham, Dale and Marge Grosch, and Don and Mary Lou Damoth.

The August Luncheon will be a brown bag lunch at Bowers Mansion in Washoe Valley at 11:30 AM on Thursday, August 16th. You may bring a dish to share, it should be a fun luncheon. Call Marge or Steve for more information. Those of you who have not paid your dues please bring them to Steve at the luncheon or send by mail. It is easier if the dues are received earlier.

Dale Leipper is feeling quite a bit better now and is working on modifying his trailer so they can travel some more. Dale and Marge Grosch are back from the International Rally. They had a good time and report that Von Gallion was there and played in the Wally Byam Band. Also Bob and Susan Vandenheuvel from Oregon were there and worked with Marge on her committee. We met them at our Washoe Valley rally last year.

Marge emailed us the following Sioux Falls International Rally Statistics: Attendees 1134, First timers 120, Community service statistics: Warm hats for children 3978, 2392 Pounds of aluminum pull tabs for Ronald MacDonald house, Cent collection \$7724.54, Stuffed animals for children in crisis 1303, Church collection \$5824.91, and 64 pints of blood were donated.
