## *Airstreamers* NEWSLETTER

JANUARY 2002

The December meeting of the Sierra Nevada Unit of WBCCI took place at the Airport Plaza Hotel restaurant in Reno on Thursday, December 13<sup>th</sup>. There were nine members present. Some who had previously made reservations were ill and unable to attend. Hope you are all feeling better now. The weather was great and the food and company good. "Santa" handed out presents to all the good boys and girls. Those enjoying the festivities were:

Elenere Armidon  
Frank and Steve Burnham  
Dale and Marge Grosch  
Diane and Virginia Leipper  
Fred and Ann Hersey

Our January 10<sup>th</sup> meeting will be early because "el Presidente", Fred Hersey, will be having knee surgery on the 14<sup>th</sup>. Come join us for the first luncheon of the New Year. The meeting will be at Bodine's, 5650 US 395 South. Going south through Carson City, you'll see Bodine's on the right, just past the traffic light at Old Clear Creek Road. Regular luncheon meeting time, 11:30. The Menu looks good and the prices reasonable. We will order from the menu, and since they would like one check, we will collect for your meal as you order. That will save a hassle afterwards. Tax is 7%. The tip will be up to you. We will have a board meeting after the lunch. Please call for reservations before Jan 8. Marge or Dale 883-0129, Frank or Steve, 825-6566, Fred or Ann, 775-266-3435, (toll.)

Our Unit has received Christmas greetings from Alan Tunstall, President of the Tri-County Unit, And from Ewart & Lillie Phillips, the WBCCI International President and First Lady. We have a bunch of birthday babies for January:

A new feature of our newsletter will be a short biography of a member -- or couple. You will have to drop me a note telling me what kind of Airstream you have, brag about your kids, and/or grandkids, where and if you grew up, exciting things you've done, exciting things you are going to do, all kinds of background stuff. It will give us all a chance to know each other better. A picture of you with your Airstream would be good.
