

SIERRA NEVADA UNIT NEWSLETTER  
November 1998

President's Message;

Fall is here and we are looking forward to Thanksgiving, but first we have the installation of our new Officers for 1999.

For those who were not in attendance at the Fall Rally in Hanford and our October Brunch at the Ormsby House in Carson City, I will give you a brief update.

REGION: In the unfinished business category a nominating committee report indicates Mr. Warren Weinstock is to be our Region 12 nominee for third Vice President.

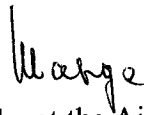

NEW BUSINESS: There were no major decisions to be made at the Board meeting. Just some minor changes in the wording of some parts of the Constitution. It was a fun Rally with three from our unit, Burnhams, Leippers and Groschs attending. We had great weather and several very good meals. The highlight was on Thursday at lunch when Burt Byam drove to Bakersfield and picked up Helen Byam Schwamborn and she joined us for lunch. As usually we were provided with the latest Airstream models for viewing by Toscano and Mantica.

UNIT: Our Brunch at the Ormsby House was very well attended. Present were: Elenere Amidon, Browns, Burnhams, Cordiers, Alma George, Groschs, Leippers, Diane and Bryan Leipper, Pauls, Pete Rinne, Neal Temen and guests Milan and Eloise Wight. Our new members Chuck and Beverly Cordier were initiated to our Unit. Also Bryan and Diane transferred to our Unit. Welcome to all of you. We also have a new associated member Milan and Eloise Wight who are members of the Nor Cal Unit and have moved to Truckee. Welcome.

As most of you know Vesta Temen died October 5. She is missed by all of us and our thoughts and prayers are with you Neal.

Some of you knew Charles Hopping. He was President of the Sierra Nevada Unit in 1983. He died August 11.

That's all for now, see you down the road.

Our next luncheon and installation of officers will be at the Airport Plaza in Reno November 19, 1998 at 11:30. Please call Burnhams at 825-6566 for reservations. Hope we will see all of you there.

Happy Anniversary Jim and Margaret Metternich on November 12

We wish Virginia Paul a speedy recovery. She had Gall bladder surgery. Also Sue Brown had been hospitalized twice for a heart condition. It looks like both of them are doing well.

Our annual Christmas Party will be at our house December 13, at 11:30, there will be more detailed information in the next newsletter.
