SIERRA NEVADA UNIT NEWSLETTER

Volume 24 Number 6

Here it is, the 11th of August, and the wandering members of the Unit are back from the Dayton International Rally. The heat and humidity were excessive so that we can hardly say that we enjoyed the rally. The Groschs beat us home, coming more directly than we did. We spent a week in Holmes County, Ohio (where the population is over 80 percent Amish or Mennonite) and enjoyed eating too many meals out, and visited some very interesting attractions. We then came home by way of Bismarck, ND where the International Rally will be next year. That was the first place all summer that we were comfortable weather wise.

It is dues time of year again! Dues have not changed, still \$45.00 International and \$10.00 Unit dues. Bring your dues with you to the Leipper Bar-B-Que next Wednesday, or get them in the mail to us at the above address. Make checks out to *Sierra Nevada Unit*. They were payable July first, and must be in Jackson Center by the first of November, so time is of the essence, as they say.

Also be thinking about a slate of officers for the year 2000. We will need to nominate in September, elect in October, and install in November. Volunteers are always welcome!!

We are planning on having a rally at Fort Churchill in September. Dates and details will be in the next Newsletter.

The Leippers are hosting a Bar-B-Que at their place on the 18th of August; next Wednesday. All that you need to bring are yourselves and a small amount of money for your share of expenses. This picnic is always super, so plan on attending. Please call Virginia at 972-6995 to say that you are coming, so she can make up the right number of hamburgers, or whatever she is serving.

INSTRUCTIONS to get to the Leippers:- Go North on US 395 to Lemmon Valley (Exit 74), turn right on Lemmon Valley Drive to the third road. The road narrows right after a 7-11 store on your left. Cross the creek and take a left on Magnolia Street to Pan America, turn right for one block and turn right into Terra Court. Leippers is the last house on the left. Look for an Airstream in the drive, and someone will open the gate for you to get in. Arrive by 11:00 AM

ready for a great get together.
