Wishing you always—  
Walls for the wind,  
And a roof for the rain,  
And tea beside the fire—  
Laughter to cheer you,  
And those you love near you,  
And all that your heart  
might desire!

## SIERRA NEVADA UNIT NEWSLETTER

Volume 24 Number 3

As we write this third *Newsletter* of 1999 it is already the last day of a non leap year February. We had our last meeting and lunch at Jerry's in Fallon. The accommodations were great, the food was just what you ordered, and the service excellent. In attendance were Elenere Amidon, the Browns, Burnhams, Cordiers, Alma George, Diane Leipper, Dale and Virginia Leipper, the Pauls, and Pete Rinne. We seem to be getting good turnouts for our lunches.

The Grosches were not able to come as Marge had just started chemo and did not feel up to the trek from Carson City. We have seen them since, and she is doing much better, having abandoned the idea of chemo as being unnecessary. Everyone else appears to be hale and hearty.

You need to add the following name to your *Membership Roster*. Frank interviewed by 'phone, Dale and Marge approved, we received their application and check, and Jackson Center gave them a membership number. All in less than a week. You may meet and welcome them at the March brunch!

Birthdays:- July 1 and June 12  
Anniversary:- September 28

Another change to the 1999 calendar of events. September 10 through 12 will not be as listed. There was quite a lack of enthusiasm for Genoa and Carson Valley Inn among the membership. We will try to schedule the same dates at Fort Churchill State Park. More later.

The Sunday March 14 meeting will be as scheduled at the Ristorante Orozko in John Asquaga's Nugget in Sparks. The time will be 10:00 AM which is when the Brunch opens. The restaurant is on the southwest corner of the new tower at the Nugget. If you use the parking garage, you walk through the gaming area toward the Rotisserie, and keep going West until you arrive at Orozko. The first part of it you see will be the coffee and breakfast bar, go past that to the hostess desk and tell them you are with the group. We will be seated even further West. The charge for this brunch will be \$10.00 per person, paid to Steve in cash or check made out to Sierra Nevada Unit. The charge includes food, beverage, tax and gratuity. Please call 825-6566 to confirm your attendance so that we can give the manager a firm count on Saturday. We expect a large turnout because this is on a Sunday and you who work (terrible four letter word) can use a good breakfast on Sunday with friends and new members. See you there!!
