RV ASSOCIATION OF AIRSTREAM OWNERS

UNIT NEWSLETTER VOLUME 24 NUMBER 10

November 5, 1999

Several happy Airstreamers gathered for lunch at Bavarian World in Reno on October 7. Attending this gathering of the Sierra Nevada Unit were Elenere Amidon, Lee and Sue Brown, Frank and Steve Burnham, Charles and Beverly Cordier, Alma George, Dale and Marge Grosch, Fred and Ann Hersey, Bryan Leipper, Dale Leipper, Len and Virginia Paul, and Pete Rinne. There were two brief matters of business to attend to, even though the environment was rather noisy as there was another group in the same area. In spite of that, it was moved by Charles Cordier that the slate of officers for 2000 be elected as nominated at the previous business meeting. The vote was unanimous. President Frank Burnham then introduced Fred and Ann Hersey to the Unit membership and welcomed them as new members. A formal induction will need to be done at a quieter time and place! In spite of the noise from two groups in a confined space, the food was great and everyone enjoyed the meeting.

The Burnhams and Grosches drove down to Mariposa to the Region 12 rally, seminar and board meeting on October 11 - 15.

The November (Good Grief, this year is dashing away!!!) meeting for the installation of year 2000 officers will be on November 17 at Grandma Hatties in Carson City. The scheduled location closed up during the summer so changes had to be made. Rick Sharp, 2nd VP of Region 12 will be up to officiate at the installation. Grandma Hatties is at 2811 South Carson Street (US 395) in Carson City. It is almost directly across the street from Mike Hohl's Buick/GMC sales site. A menu is enclosed, so that you can decide ahead of time what you want to eat.

We have only two birthdays to celebrate in November:-

Diane Leipper - November 6th

Fred Hersey - November 9th

Remember to call the Burnhams at 825-6566 to say that you are coming to the 11:30 lunch at Grandma Hatties on November 17th.

Have a luscious Thanksgiving.

Hope to see you in Carson City on Nov 17. We're saving up some more egg boxes! Beautiful fall, hope it stays nice a while longer

Your Pres. and Secty.

Frank & Steve
