Re: New Membership & Membership Number

Dear Mr. Reed:

On Saturday, September 10th. the Board of the Monterey Bay California Unit accepted Bryan and Diane Leipper(brother & sister) as new regular members of our unit. They are rather special! They are third generation members of WBCCI!

Their grandparents, Bryan and Jo Harrison (No. 772) joined WBCCI in the late forties or early fifties and traveled in caravans with Wally Byam to Mexico and other destinations. The exact date they joined is uncertain, but their daughter, Virginia Harrison Leipper, said that it was prior to the time members were assigned numbers. They remained active during the remainder of their lives. The Older Bryan attended MBCU rallies on occasion with his daughter and son-in-law, Virginia & Dale Leipper(No. 1183), until his death in the late eighties. Dale and Virginia are active long term members and are presently hosting a unit rally. The younger Bryan and his sister, Diane, have occasionally attended rallies with their parents since childhood.

Bryan and Diane will carry on the family WBCCI tradition. They would be very pleased to have their grandparents' number, 772. I realize that available three digit numbers are reserved for reassignment to Region Presidents and International Officers. I hope in this case that tradition might prevail and that their grandparents number will be assigned to Bryan and Diane.

Their application and my check(\$45.00) are enclosed for their International dues. Their check was made payable to the unit and our treasurer is out of town.

Sincerely,

*Bill*

Re: New Membership & Membership Number

Dear Mr. Weston:

Dave Reed has asked that I respond to your September 11th about assigning membership number 772 to Bryan and Diane Leipper since this number belonged to their grandparents and they had traveled with Wally Byam.

As you stated, the three digit numbers are reserved for Region Presidents and International Officers. To assign a three digit number to a new member would require the approval of the IBT. We therefore suggest that you take this to your Region 12 President who can, in turn, bring it before the IBT for approval.

Sincerely,

*Kathy Adams*

Dear Ed:

The copy of my letter to Dave Reed and the response from Membership Secretary, Kathy Adams, pretty well explains my purpose in writing to you. Specifically, I am asking that new members, Bryan and Diane Liepper, be issued their grandparent's WBCCI number, 772.

The Lieppers, Dale and Virginia, are long time members of the MBCU, and remain very active today. I am sure that you must know them from various rallies they have attended. Their son and daughter will, I am sure, be good members, having attended various rallies since childhood.

As suggested in Kathy Adams letter, I hope you will bring the matter up with the IBT and urge approval.

Sincerely,

Dear Bill,

Thank you for the info copy of your 27 Sept 1994 letter to Ed Dodd re the release of #772 to Bryan and Diane Liepper.

The release of membership numbers in the 100 to 999 category is controlled by the Policy section of the Blue Book and as of now these numbers in the 700/999 series are to be held "for future IBT decision". I'm sure you are aware that the 100 through 600 series numbers are reserved for International and Regional officers.

The Executive Committee members agree with your request that membership numbers 772 be released to Bryan and Diane Leipper and our Intl 1st Vice President, Mr Vern Goodwin, has volunteered to act as Advocate to the Board to secure approval at the Mid winter meeting in Natchez, MS in January. I am hopeful it will be approved and am very pleased that the Leipper's desire to continue their Grandparents involvement in the Club by having their original membership numbers.

Thank you for bringing this issue to the forefront. Please advise the Leippers of the action being taken in their behalf and of our appreciation for their interest in maintaining their Grandparents tradition.

Best regards,

  
Eugene W. Stubbs  
International President

Dear Bill,

Thank you for your correspondence concerning awarding WBCCI member number 772 to Bryan and Diane Liepper. I have just received a copy of a letter from Gene Stubbs, our International President, and he states that he is hopeful that the request will be approved at the IBT Meeting in Natchez, MS during 16-20 January 1995. Vern Goodwin, Intn'l. 1st VP, will act as advocate.

I will confer with Vern upon my arrival in Natchez and we will make every effort to obtain Board approval for the exception to policy in this case and the granting of authority to issue member number 772 to the Lieppers. I certainly concur with their request and have every expectation that it will be granted. At the conclusion of the Board Meeting, I will call you to let you know the results of the vote.

With best personal regards and best wishes for a happy holiday season,

Very sincerely,

Edwin C. Dodd, President  
Region XII, WBCCI
