We received notice recently from the Wally Byam Caravan Club that you have purchased an Airstream trailer. I am writing to introduce you to the Sierra Nevada Unit, WBCCI, the local Airstream Owners group. I have enclosed some materials including our 2013 rally schedule, that will give you a pretty good idea of who we are and what we do.

Our June rally is at Green Creek near Bridgeport. The dates are June 27 to June 30. I have also enclosed information on our special event rally at the Cantaloupe Festival in Fallon NV. We'd be delighted to have you join us for either or both of these rallies or any other SNU event.

Check the SNU website. <http://sierranevadaairstreams.org/snu/> to find out all about the SNU. There is information about our upcoming rallies, community involvement, SNU history, and other aspects of the SNU. The SNU website is part of a more comprehensive website, <http://sierranevadaairstreams.org/> devoted to enjoying the Sierra Nevada and Great Basin areas of the United States in a recreational vehicle. Other sections of this website include rally photo galleries, a Show_N_Tell section which includes photo galleries of all types of Airstream RV's from vintage to current models, and a travelogue section which highlights personal stories and photographs of various SNU members and other Airstreamers. You will also find a lot of great information on owning and maintaining an RV in the owners guide.

The SNU newsletter is available on our website. It will keep you up to date on our activities and other items of interest. The SNU uses an 'opt-in' mailing list which ensures we are sending emails only to those who have subscribed (chosen) this option. You are welcome to subscribe to the newsletter whether or not you choose to join the SNU. Go to the following URL to subscribe.

The latest newsletter is included with this letter.

One of the assets of membership in WBCCI is the opportunity to participate in rallies and events sponsored by any WBCCI group regardless of which local unit you join. This includes other Units, Intra-clubs, as well as Airstream and WBCCI sponsored events. Each Unit has its own personality and ways of doing things. We encourage our members to visit other Units and attend other functions as it is a way to broaden the Airstream experience and meet new friends. Of course we would be delighted if you choose to become a member of the SNU but the bottom line is getting out and enjoying your Airstream and the fellowship of other Airstream owners. Other nearby WBCCI Units in Region 12 include NorCal, Santa Clara, and Tri Counties. There are also units in Idaho, Utah, Oregon, and of course the rest of the U.S.

We are very flexible and informal group. Although we would hope that you choose to join the SNU, you are welcome to visit us at any of our activities. You can stop by a rally just for a visit or join us for for the weekend, whatever suits your schedule. We look forward to meeting you, hopefully sometime in the near future.

Don't hesitate to call if you have any questions about the Sierra Nevada Unit or anything Airstream related.

Sincerely

Bryan R. Leipper, Treasurer/Membership SNU
