August 2012

Ed and Paula

The Sierra Nevada Unit, WBCCI has had a very successful year in 2012 and we still have some great rallies ahead. This was due in large part to the support and involvement of our membership in everything from attendance at rallies to governance of the Unit.

We hope that you will continue to support the SNU by renewing your affiliate membership for 2013 and by participating in SNU. You have several options to renew your membership. You can go to our website, fill in the form, and pay online. You can print out the web form, or you can use the enclosed form and mail it with a check for dues to:

SNU Treasurer
714 Terra Ct, Reno, NV 89506
<http://sierranevadaairstreams.org/snu/2011/11-dues/app-form.html>

Starting in November 2012, the SNU will no longer publish and distribute a print copy of the newsletter. The newsletter will be available in a PDF format on the SNU website. An 'opt-in' mailing list is used to announce the availability of most currently published newsletter as well as when there are time sensitive changes or updates related to rallies or other information pertinent to SNU members. The 'opt-in' mailing list ensures we are sending emails only to those who have subscribed (chosen) this option and not to those who do not wish to receive such emails. This system also enables subscribers to change their email address or unsubscribe at any time they choose. A second method is to use the RSS feed for the Zephyrs blog, <http://sierranevadaairstreams.org/snuze/> where newsletter posting announcements are made along with other RV and SNU related items. The third is to just keep an eye on the newsletter page of the SNU website to look for new issues online. The SNU is conscious of the proper use of personal email addresses. Email addresses provided to the SNU are used only for the SNU newsletter and announcements. They are not shared or made public in anyway. If you aren't currently on the email announcement list, go to the following URL to subscribe.

It's what you don't see that makes the SNU great! There are a lot of things that need to get done so we can get together with our Airstreams and find new friends. Belonging means helping out in keeping the SNU strong. What can you do?

- **Govern** – serve on the board and help decide what needs to be done between member meetings
- **Record** – take notes at the meeting so the Unit has a good record of decisions made (Unit Secretary)
- **Telephone** – call members we haven't seen in a while to find out how they are doing and encourage participation in Unit events
- **Host** – help take care of event scheduling and provide information about various rally and luncheon sites.
- **Write** – provide articles for the SNU newsletter and other publications.

By utilizing all the collective talents and skills of its members the SNU can continue to grow and develop. Getting involved is a great way to show your support of the SNU. The health and vitality of the SNU is dependent on the participation of its membership. Please feel free to provide any feedback, ideas, or suggestions that you feel would assist the SNU to be the kind of Airstream group that you want to be an active and enthusiastic member of.

We thank you for your past support and look forward to receiving your dues renewal for 2013. We also look forward to your participation in rallies and other activities of the SNU in the coming year.

Sincerely

Bryan R Leipper, Treasurer/Membership SNU
