Rick & Jeanne

Thank you for renewing your membership in the SNU for 2013. Enclosed is your receipt/membership card.

2012 has been a great year for the SNU so far. The SNU still has several great rallies and a lot of exciting things going on for the rest of 2012. We are also beginning our plans for 2013. If you have any ideas or suggestions, please feel free to pass them along.

The SNU continues to lead the way in the use of various technologies to augment and support membership involvement in the Unit. These include an online interactive calendar of events, online polling and survey forms to gain member input, use of title specific email addresses, an online systems to pay dues and rally fees, and subscription based announcement lists for newsletters and special bulletins. The SNU maintains one of the most comprehensive websites of any WBCCI Unit. The SNU website includes newsletter archives, the Op Notes describing key functions of the Unit, historical information, documents pertaining to the philosophy of the SNU, and rally photo galleries. Our intent is to ensure members have all the information they need to participate and enjoy the SNU to the fullest. It is also a way to ensure the history and key documents of the SNU are available to all members.

The SNU continue it's effort at being a good neighbor. SNU members seek out other Airstream owners, telling them about the SNU and asking about their Airstream experiences. We encourage our members to visit other Units and attend other WBCCI and Airstream functions as it is a way to broaden the Airstream experience and meet new friends.

We look forward to another great year in 2013 and look forward to your participation. Please don't hesitate to let us know if you have any ideas or suggestions you feel would benefit the SNU. We are always open to hearing new ideas from our members.

Sincerely
